Mike Rossi, the CEO of Smile.io

“We’ve been thrilled to see strong user growth on Wix. This performance is similar to what we’ve seen on other highly regarded ecommerce platforms.”
“Since launch, we’ve seen tremendous adoption and growth around the world. In just a few years, Wix has grown to be one of the top ecommerce stores for ShipStation merchants, creating millions of exceptional delivery experiences.”
Shahar Albeck, CEO of Effective Apps

“We are great believers of the Wix platform. It feels a second before takeoff and we, as app developers, want to take part in it”
“Wix has been an outstanding partner to Shippo, from the business and technical sides. The platform is easy to use and includes metrics that help us understand how our app is used by customers.”
“Wix has helped us substantially to grow our user base and receive indispensable feedback for further product development... Any app that wants to go big should see Wix as a must.”

Tim Hammermann, Co-Founder & CEO, Visitor Analytics
“We’ve seen substantial user growth each month and received very positive feedback from our customers about the integration flow.”
“When we did the tech assessment we see you invest a lot in APIs. This is a really positive sign for us”

Parker McMahon, Product Strategy at Klaviyo
“A big congratulations to you guys for doing such great work with Wix. It's really commendable.”

Abhishek Kumar, CEO at Pushowl
“Wix is the 2nd largest eCom platform and we put our bets in 2023 in our partnership with Wix, where we have a great team to work with and where we can expand our product beyond eCommerce (restaurants, events etc.)”

Jaunius Danielius, Director Product at Omnisend
